2. Press [✉].
3. Press [🗑️].

Message Waiting LED

When there is a message awaiting to be read, the message waiting LED is lighted ON or flashed in red.

The Message Waiting switch (at the back of the phone) is used to select the appropriate MW mode (HV / + / -). Check the MW type of the connected PBX to work with the phone. Select OFF on the MW switch to deactivate the message waiting function.

Phonebook

Save MWM

1. Press [], the display shows "SEARCH".
2. Press [] or [] to select "SEARCH" or "ADD".

Search Phonebook

1. Select SEARCH and press [] key to enter Phonebook viewing state.
2. Press [] or [] to view the records. Hold the [] / [] key for 3s could activate fast scrolling
3. Lift the handset or press either [] or [] to dial out.

Add Phonebook

1. Select ADD and press [] key to enter into Phonebook modification state.
2. Enter the name you wish to record and press [] to save.
3. Enter the number using the dial pad and press [] to save.

Delete Phonebook

1. In Phonebook viewing state, press [] or [] to find the record you want to delete.
2. Press [] and you will see 'DELETE?', then press [] to confirm the deletion.
3. If you want to delete all the records, press [] for 3 seconds. Then, you will see 'DELETE ALL?', and press [] to confirm.

Note: If the phone is locked, you need to enter the password to add, edit or delete entries in phonebook (see "Set Lock State").

Caller ID display

After receiving a new incoming call, the number will display on LCD and hold for 10s, during this time, if received another new call, it will continue to display for 10s and display corresponding icon.

Incoming calls records include the Number, Name, Date/Time, Caller Timer, Repeated call icon, New missed call icon, missed call icon and Received call icon.

Repeated Call	New Call	Incoming call	Outgoing call	Missed Call	Received Call
REP	NEW	IN	OUT		

If the record is full, the next incoming call will replace the oldest record one by one.

After viewing new missed incoming calls, the “New call” icon will disappear, and “Missed call” icon will be shown.
